The Annual Quality Assurance Report (AQAR) of the IQAC

Period : July 1, 2010-June 30, 2011

ABOUT THE COLLEGE

Sree Narayana Guru College, Chelannur established in 1968 is situated in a quiet village at the foot of the towering Kalari hills, about 16 km away from Kozhikode District, Kerala. It has been catering the academic needs of the students in and around Chelannur for the past four decades. The motto of the College is '*enlightenment through education*' and it endeavours to mould a community of students committed to the pursuit of truth and moral excellence upholding the high ideals of Sree Narayana Guru, our patron. We aim at building up a humane and socially committed fraternity of young men and women by the upliftment of the downtrodden masses through education. The basic objective of the institution is to provide education to the marginalised section of the society.

Our goal is to focus towards the use of education as a means of socio- economic progress, intellectual awakening and empowerment of the weaker sections and to provide opportunities to enter into service. At present our institution has total strength of about 900 students studying the various branches of science, arts and commerce. We indented to provide opportunities for better employment through special coaching for competitive examinations and improvement in communicative skills. The college has opened up the opportunities for education and placement of socially and economically backward group of student

Our Mission

The mission of our college is to bring about educational, economic and social upliftment of the backward classes and minority students. College stands for the academic excellence as well as the development of the skill and character of students based on the Holy Sree Narayana Guru's perspective on humanism, secularism and universal brotherhood. The institution striving to achieve the goal of equal accesses and equal opportunity in all walks of life.

Our Vision

- To empower peoples through education
- To become a centre of learning par excellence.
- To provide value- based education
- To promote quality education aimed at global competence
- To ensure an integrated development of individuals.
